## Continue to take care of yourself with AXA healthcare's special offer for customers leaving their corporate schemes

Just because you will no longer be receiving company paid private medical insurance, it doesn't mean you have to lose the comprehensive coverage you've enjoyed with us.

You'll be glad to hear that you can continue your cover with one of our personal policies. And, the good news is it's really straightforward.

### **it couldn't be simpler**

Transferring your policy from a AXA corporate plan to a personal plan is easy, as long as you have been continuously covered under your corporate plan for at least 12 consecutive months. There is no need to worry about filling out complicated forms or having a medical examination.

And, most importantly, we will allow you to keep the same personal medical underwriting terms if you join within 30 days of leaving your corporate plan and transfer to a comparable inpatient plan.

This means you can claim now or in the future for eligible treatment of existing medical conditions that have not been previously excluded from cover. This is something you will be unlikely to receive from another insurer.

Your new personal cover starts on the day your company policy ends. As with all policies, your entitlement to benefits under your personal plan will be subject to the terms and conditions of the product you choose and may differ from those under your corporate plan.

## plans to fit your needs

We know that when it comes to healthcare everyone's needs are different – which is why we offer a range of plans to make sure you get the level of cover you need. You can now transfer to our wide range of products – **InternationalExclusive**, **SmartCare Optimum Enhanced** and **SmartCare Executive** plans.

Please refer to our product brochures for details on benefit levels of each of these plans. You can even call your advisor or our account servicer for details or visit our website at [www.axa.com.sg](http://www.axa.com.sg)

## act now to continue taking care of yourself

Remember, your option to continue on the same personal medical underwriting terms only lasts for a limited time period after you leave your corporate plan.

So call your advisor or our account servicer now to continue the protection you and your family have previously enjoyed. Once you are a member, our health service team will be there to support you if you ever need to make a claim. Plus they can answer any policy benefit or membership queries you may have.
